PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 18 You shall complete 40 hours of community service work, at the rate of not less than 8 hours per month at a not-for-profit site approved in advance by the supervising probation officer. The hours are to be completed no later than 6/30/2009.

CAUSE

Mr. Langford relapsed and used methamphetamine on three separate occasions in September 2008. He admitted his use to this officer and to his chemical dependency counselor at First Steps Community Counseling Services. Mr. Langford's treatment services were increased and he has been compliant with his treatment attendance. He also has continued submitting to random drug testing, all of which have since been negative. Mr. Langford continues to be employed at Pallet Services in Pasco, Washington. He has had this job since he was in the Franklin County Residential Reentry Center. The defendant knows if he continues down the path of illegal drug use, he will lose all that he has worked to obtain. He has been advised that further noncompliance will bring him before the Court. Despite this relapse, Mr. Langford maintains his compliance with all of his other conditions. He has agreed to complete community service hours as a consequence for his violation behavior.

At this time, this officer believes Mr. Langford is a more productive member of society if he completes community service hours, while still maintaining his employment, his housing, and his active participation in treatment. Attached to this petition is a modification order, signed by the defendant, in which he agrees to complete the community service hours on or before June 30, 2009.
